

# WELLAND

## 3.5" LAN external enclosure

**Xpress  
ME-747K-SI**

The Welland Mega miniSAN – ME747K-SI is an innovated network storage for SOHO and small business application. The miniSAN could be integrated into most of the modern digital home appliances (gateway, set-top-box, media server/player) that equip some sort of data storage functions through high speed transmission

The Mega miniSAN adopts an open SAN protocol named ATA-over-Ethernet (AoE). That is , beyond common TCP/IP management facilities , Mega miniSAN uses AoE as a thin layer to process ATA commands directly over Ethernet traffic. This design has proven its ability to offer 3x-5x performance over fastest home NAS SoC implementations

### **Specification:**

<b>Model Name</b>	Xpress
<b>Model Number</b>	ME747K-SI
<b>Color</b>	Black
<b>Material</b>	Aluminum
<b>Application</b>	Any 3.5" IDE/SATA hard drive disk
<b>Interface</b>	<ul style="list-style-type: none"><li>● USB 2.0 high speed interface (USB1.1 backwards compatible)</li><li>● Fast Ethernet 10/100 Base-TX Auto MDI/MDI-X, 1 port (RJ-45)</li></ul>
<b>File system</b>	<ul style="list-style-type: none"><li>● <b>Network mode:</b> FAT16/32/NTFS</li><li>● <b>USB mode:</b> FAT16/32/NTFS</li></ul>
<b>OS Supported</b>	<ul style="list-style-type: none"><li>● <b>USB storage mode:</b> Windows98SE/ME/2000/XP/Vista, MAC O.S 9.X above 233 MHz Pentium® II equivalent or higher 64 MB RAM (128 MB recommended) USB 1.1 Port (USB 2.0 recommended) CD-ROM drive for installation 100Base-T full duplex switch for Network mode</li><li>● <b>Network mode:</b> Windows 2000 /XP / Vista</li></ul>

# WELLAND

	<ul style="list-style-type: none"><li>● <b>OTB AP:</b> Windows 98SE/ME/2000/XP/Vista</li></ul>
<b>Power Supply</b>	Input : AC100-240V, 0.6A, 50/60Hz Output : DC +5V/2A, +12V/2A – 34W
<b>Accessories</b>	<ul style="list-style-type: none"><li>● 34W external power adapter</li><li>● USB 2.0 Cable</li><li>● Network Cable</li><li>● User Manual</li><li>● Driver CD</li><li>● Screw pack</li><li>● Stand</li></ul>
<b>Packing</b>	10 sets/Carton
<b>Enclosure Dimension</b>	210 x 125 x 38mm (L x W x H)
